Calendar House Membership Association.

Board of Directors and Officers

The Calendar House Membership Association, (CHMA) is set up to assist the Calendar House staff in organizing and helping with the multiple activities that exist for the membership seniors. This involves fundraising and financial management, organizing volunteers, hospitality, membership events and entertainment.

In order to provide taxation relief, the CHMA signed up with the State of Connecticut to become a Non-Profit organization which required the CHMA to set up a Board with 7 Directors and a number of assisting Officers to manage the Association and provide the appropriate reporting to the State and the IRA to confirm satisfactory financial control.

The 7 Directors have a 3 year period of office with 2 or 3 ending each year. The Directors reaching the end of their period of office may request to continue for another period, but any other CHMA member may request to join the board. If the number of people wanting to join the Board exceeds the number of vacancies, then an election must be held to allow the Membership to decide who will be on the Board.

Currently we have 2 Directors who are at the end of their period but who want to continue and also 2 Directors who are retiring so we are looking for some Members who would like to join the Board.

If you are interested in volunteering as a Director, or as an Officer, please contact either of the following individuals before December 9 th:-

Denise Roy (CHMA President) 860-906-6179 (Text or Call)
