

Gettysburg

May 17-19, 2027

Day 1: Our Gettysburg adventure starts this morning as we set out on a fascinating three-day journey through American History. Enjoy a comfortable ride to Pennsylvania before arriving and checking into our hotel. We will then make our way to a memorable dinner experience at the Dobbins House, where servers dressed in authentic period costumes will transport us back in time and set the stage for the days ahead. For the next couple days, we'll be immersed in the stories, traditions and events that make Gettysburg one of America's most historic destination. (D)

Day 2: After breakfast, we will begin our day at the Gettysburg National Military Park Visitors Center where we'll have the opportunity to experience the breathtaking Cyclorama, a massive panoramic painting that brings the battle of Gettysburg to life. We will then enjoy a tour of the battlefield with a local guide gaining insight of this pivotal civil war battle. Following lunch, we will continue the experience aboard the Gettysburg Railway where President Abraham Lincoln arrived to give his famous Gettysburg address. (B,L,D)

Day 3: After breakfast, we will visit Seminary Ridge before beginning our journey home. Here, we will participate in an engaging interactive program that will bring the battle of Gettysburg to life. Seminary Ridge holds a special place in the history as it served in a key position during the opening battle and then served as a field hospital for wounded soldiers. We will all leave with a deeper understanding of the courage, sacrifice and human impact of one of America's most significant historical events. (B)
